

American power systems Kosovo

Which companies are affecting the energy sector in Kosovo?

Besides government institutions, there are also companies with great impact in energy sector such as Kosovo Energy Corporation (KEK), Transmission, System and Market Operator (KOSTT) and Kosovo Electricity Distribution and Supply (KEDS). A lot of legislative documents that aim the adjustment of electricity sector have been approved.

How much solar power does Kosovo have?

With regard to solar power,Kosovo's installed capacity at the end of 2020 stood at 20,9MW,the bulk of which are sited at agricultural facilities throughout the country. However,a few recently announced solar power projects are poised to increase that number significantly.⁹

Who regulates the energy sector in Kosovo?

Regulation of activities in energy sector in Kosovo is a responsibility of the Energy Regulatory Office (ERO). An additional factor in the energy sector in Kosovo is Ministry of Economic Development (MZHE),which has the responsibility of dealing with issues that have to do with energy. MZHE prepares legislation and drafts strategies and projects.

How did Kosovo get its own energy system?

Kosovo was part of the Regional Energy Community and was connected with the regional system through interconnections with Serbia,North Macedonia,Montenegro and Albania. KOSTT made an agreement with ENTSO-Eso Kosovo gets his own independent region of energy administration. Kosovo gets full independence and control of its energy industry.

What are the power plants in Kosovo?

The greatest part of generation capacities of Kosovo are the two power plants: Kosova A and Kosova B. The capacities of the two power plants are lower than the installation parameters level,because of the outdated system and lack of maintenance during the last decade of the 20th century.

Will Kosovo use solar energy for district heating?

In late December 2022, Kosovo became the first country in the Western Balkans Economy to use solar energy for district heating. Kosovo's Minister of Finance, Labour and Transfers, Hekuran Murati, said the project would ensure access to the central heating system for about 38,000 citizens.

Kosovo regards the United States as a key ally and security guarantor. Kosovo receives the largest share of U.S. foreign assistance to the Balkans, and the two countries cooperate on numerous security issues. The United States is the largest contributor of troops to the NATO-led Kosovo
