Who is JMG?

JMG is a leading electro-mechanical solution provider in Nigeria, offering a comprehensive range of products and services to meet the diverse needs of home, businesses and industries. With expertise in power generation, electrical infrastructures, vertical transportation, cooling systems, and air compressors.

What is JMG electrical division?

JMG Electrical Division specializes in power distribution, cable management, and switchgear, showcasing leading brands such as ABB, Legrand, Indoasian, and EAE Electric. Committed to quality, safety, and efficiency, this division offers a comprehensive array of products in ample quantities, catering to various building projects' needs.

Why should you choose JMG?

In the field of cooling solutions, JMG partners with the American industry leader to enhance both living and working spaces. By collaborating with Trane, a pioneer in innovation, JMG provides state-of-the-art cooling technologies crucial for the comfort and efficiency of modern living.

JMG provides a range of FG Wilson Perkins generators from 12.5 to 2500 kVA, designed in the UK for both backup and prime power needs with fuel-saving technology, up to 3 years of warranty, remote monitoring, and low Co2 emissions.
