Titan Solar Power Profile and History. Founded in 1986, Titan Solar Power offers its customers solar and electrical services. Titan Solar Power installs clean renewable power, emergency electrical backup power systems and allows its customers to establish their energy independence from traditional grid power.

Titan Solar Power does NOT know what they're doing! Installed the solar panels, and everything seemed ok outside of not following Burbank's requirements which required a revision of AC/DC, outlined on Burbank's website. First inspection was scheduled for February 9th from 7-9 am. At 3:30 pm, I called and emailed Jessica with no response.

Titan Solar Power was one of the largest solar companies in the United States but has closed their doors. What does this mean for their customers? Read our Solar Frequently Asked ...
