Efficient Solar Charging with SolarSaga 100W Solar Panels. Pair the Explorer 1000 Plus with the two included SolarSaga 100W Solar Panels, and you've got yourself a self-sustaining power system. These ultra-efficient solar panels are equipped with high-conversion efficiency solar cells that maximise energy capture from the sun.

The biggest mistake new users make is overestimating the solar output. They expect a 100-watt solar panel to provide all of their electric needs. When in reality with a 100w panel going all day in bright sunshine you might be lucky to generate 1kw of electricity. About 15 cents worth. Your mileage might vary.
