

Bosa energy Belize

Who is Bosa energy?

Bosa Energy Co.,Ltd. - Leader In Lithium-Ion Battery And Power System For Energy Storage. Our main business covers lithium-ion battery and power system for energy storage,electric vehicles and marine applications .

What did Bosa show in the battery show?

In this Battery Show,BOSA showed standard battery modules,battery packs and battery systems. Our products are widely used in electric marine,energy storage system,ev,light tower,heavy machine and so on. We are delighted to meet all our new and old customers on site and discuss our products together,looking forward to our next meeting!

When was Bosa on North America's battery show 2024?

BOSA was on North America's Battery Show Oct.7-11th,2024. It's one of the BOSA'S highlights in 2024. The Battery Show is North America's largest advanced battery event,it brings together engineers,business leaders,top-industry companies,and innovative thinkers to discover ground-breaking products and create powerful solutions for the future.
