UltraLAN 6U Outdoor Wall Mount Network CabinetUltraLAN's outdoor cabinets are designed to protect  
your sensitive network equipment from harsh environments. The cabinet is made from durable  
electro-galvanized cold rolled steel and finished with a powder coating to protect it from the elements and  
corrosion. Several features are incorporated to safeguard the cabinet from ...

This SmartRack® cabinet is designed to house 6U of equipment, such as network switches and patch  
panels. It's recommended for network wiring closets, retail locations, classrooms, back offices and other areas  
with limited floor space where you need equipment to be secure, organized and out of the way.

These outdoor cabinets are secured with a 3-point swing handle locking system to keep the door closed and  
prevent unauthorized access. Air ventilation is critical for the well being of your equipment, and the UltraLAN  
cabinet features vents on both side panels. In addition, metal mesh filters are set into a double wall on the  
inside, adding to ...
