That's why it's important to stay up to date on power outages in the area. You can check the Rhode Island Energy Power Outage Map today to get an idea of which parts of the state are currently experiencing power interruptions. How to ...

With the Christmas season coming up soon-ish, the thought of powering my out door lights with some sort of solar power hub sounded like a good one. I figured I could have all the lights run to a timer which is connected this &quot;hub&quot;. Once the timer hits on the lights come up and its really a forgotten thing until I have to take them down.
