What's the right solution for YOU? ? Here at Cotswold Energy Group, we understand that solar panels and heat pumps are not "one size fits all" solutions. We'll never just sell you an off-the-shelf product; our renewables design specialists will visit your property to thoroughly assess its suitability for renewable technology.

The imagery used throughout the website demonstrates projects that the Cotswold Home Energy Solutions team have constructed in its entirety or had a role in its construction and by kind permission of the client or homeowner.

Cotswold Energy Group Ltd (CEG) replaced my old gas boiler gravity-fed system with a mains-pressure ASHP system. That included both a unit that utilises the spare energy from our solar panels to heat the water, and a monitoring system (MMSP) that provides historical information on how the system is performing.
