Energía solar para todos Sobre Nosotros Solar Maker es una compañía paraguaya especializada en sistemas solares con el fin de brindarle ahorro, sostenibilidad y revalorización de sus inversiones. Para el efecto, contamos ...

Solar power technologies harness the energy from the sun's light and converts it into electricity. Solar photovoltaic panels, (Solar PV panels), are made up of individual cells made of silicon or other special material. When the sun hits the solar panel the photons from the sunlight are absorbed by the cells, creating an electric field and causing electricity to flow.
