Who is Altea energy?

We are there to support this transformation and help them carry out their major projects, by selecting for them the qualified experts they need anywhere in the world. Altea Energy is a Consulting company in the oil and gas, renewables and nuclear industries. We select and mobilize high skilled consultants in the energy sector.

What can Altea energy do for You?

Altea Energy supports the careers of thousands of consultants and is looking for diversified profiles with high added value in the fields of oil & gas, renewable energies (solar, wind, hydropower, biomass) and nuclear. Join our community and together, let's transform the energies of tomorrow!

How did Altea energy support Rainpower?

Between 2015 - 2019 Altea Energy supported Rainpower's work on the rehab of two hydroelectric power stations in Manica province, Mozambique. Altea Energy provided us with expert consultants and took care of contracting, work permits/visas, payroll and local employment taxes, providing a

How good is Altea in Algeria?

The local team in Algeria is good in terms of communication and reactivity. The best in my experience with Altea is their prompt responses to any email or message regarding issues and the flexibility and usage of their Consultant portal. I like their responsiveness on administrative issues.

What makes Altea a good company?

Timely and respectful communication, adherence to deadlines, and maintaining a professional demeanor are highly valued. I know for a certainty that Altea makes the best of its effort at all time to accompany me in my mission. Very professional people and good survey of client need.

1 World Bank Income Classification as of the Fiscal Year 2023 2 GDP, Power Purchasing Parity (constant 2017 international \$) from the World Development Indicators 3 Population, total from the World Development Indicators

Introducing Magnet from Dune, a new collection with a design based on energy and connection with the 4 elements of nature. The colour variation in the Magnet collection represents a perfect balance between biophilia and an industrial style.

Villa Altea Gales was built in 2019 in the Bauhaus style and is situated in an absolutely privileged location in Altea-Hills. The entire residential complex is an arial in the hills of Altea, secured by security, with a dreamlike view of the sea, the mountains and the villages of the Costa Blanca. The house can accommodate a maximum of 8 persons.
