Flux Energy, based in Limassol, is your go-to for energy solutions in Cyprus. Whether it's Solar Panels to harness the sun's energy, Lighting Supplies, or Expert Advice on energy efficiency, we've got what you need. Our mission is simple: to help you save money, protect the environment, and brighten your life with smart energy choices.

Energy Flux has evolved a fair bit since it was born way back in July 2020 as a personal blog. It started with a very broad remit, but after much experimentation and reflection, I've boiled it down to this: to analyse global natural gas markets through the lens of Europe's net-zero journey. I have updated the "About" page with a Q&A that explains in more detail my ...
