Who is a good solar installer in Costa Rica?

Lester provides excellent service and value for solar projects in Costa Rica. We were so happy that Neil came out and fixed our system that had just been installed by another installer. We fought for months with that installer to come out to fix their system. Finally we called Sunnyside Solar Solutions and talked to Neil.

Is sunny side solar solutions a good company?

Sunny Side Solar Solutions' service has been excellent- the system and permitting was completed as per the agreement and everything has been running well. The one service issue we had was fixed promptly and Lester got the system back up and running immediately. Lester provides excellent service and value for solar projects in Costa Rica.

Costa Rica es un país líder en la transición hacia energías renovables, lo que le ha permitido obtener beneficios económicos y ambientales significativos. El país ha logrado generar más del 98% de su electricidad a partir de fuentes renovables, como la hidroeléctrica, la geotérmica, la solar y la eólica.

Invest your savings in a solar panel system and get a 17% return on your investment. Given Costa Rica's current \$0.50 cent/kWh, a \$15,000 investment in a 5Kw system will yield a tax-free savings of \$275/mo. or \$3,300 in savings per year, every year. If rates continue to rise, the savings grows higher.
