

Independent solar Togo

Who developed the solar power station in Togo?

The power station was developed by Amea Power, an independent power producer (IPP), based in the United Arab Emirates. The solar farm, which is the largest grid-ready in Togo, is also referred to as Mohamed Bin Zayed Power Station, named after His Highness Sheikh Mohamed bin Zayed Al Nahyan, the Crown Prince of Abu Dhabi.

Where is the largest solar power plant in Togo?

The solar power plant is located in Blitta, a division in the Central Region. With a capacity of 50 MWp, the Mohamed Bin Zayed plant becomes the largest utility-scale solar park in Togo, and indeed in the West African sub-region. The new facility, which supplies clean energy to Togo's national grid, increases the country's energy autonomy.

Who owns AMEA Togo solar?

The solar park will be operated and maintained by Amea Togo Solar, the local subsidiary of Amea Power, the UAE-based IPP that owns the power station. It is expected that the power station will provide electricity to 600,000 homes and 700 small and medium-sized enterprises, in Togo.

Where is the largest solar power plant in West Africa?

The largest solar photovoltaic plant in West Africa is now operational. The facility with a capacity of 50 MWp is located in Blitta, in the Central Region of Togo. The solar power plant is owned by the Emirati independent power producer (IPP) Amea Power.

What is the largest solar farm in Togo?

The solar farm, which is the largest grid-ready in Togo, is also referred to as Mohamed Bin Zayed Power Station, named after His Highness Sheikh Mohamed bin Zayed Al Nahyan, the Crown Prince of Abu Dhabi. The power station began commercial operations in June 2021.

When will Togo expand to 70 MW?

In March 2023, the work on the third phase of expansion from 50 MW to 70 MW officially began, when it was flagged off by the president of Togo, Faure Essozimna Gnassingbé. The expansion to 70 megawatts and the addition of 4 MWh storage capacity is expected to conclude no later than December 2023.
