Is Papua New Guinea a reliable LNG supplier?

Through the PNG LNG Project, Papua New Guinea has demonstrated the ability to deliver reliable supply to customers, Clarke said. "When the first shipment of Papua New Guinea's LNG set sail on the 'Spirit of Hela' to Japan in 2014, and PNG entered an esteemed club of LNG exporting nations, no one could have foretold what the future would bring.

Is Papua New Guinea ready for LNG?

"Papua New Guinea is truly well-positioned for the future -- one where LNG will have an even larger presence in the global energy mix," said Mr. Clarke.

How has the PNG LNG Project impacted PNG's economy?

"In just its first decade of operations, the PNG LNG Project has generated tens of thousands of jobs and strengthened PNG's economy. It has engaged 155 local businesses, including 10 LANCOS in the production phase, and invested 6.8 billion kina in PNG with these businesses," Clarke said.

How much does PNG LNG spend on Papua New Guinean services?

It also contracts another 250 non-landowner Papua New Guinean businesses for services such as transportation of personnel, security, freight and logistics, food supply, customs clearance and medical services. Since 2010, PNG LNG has spent more than K14 billion on Papua New Guinean services, including K6 billion spent with landowner companies.

How much Kina has Lanco invested in Papua New Guinea?

It has engaged 155 local businesses, including 10 LANCOS in the production phase, and invested 6.8 billion kina in PNG with these businesses," Clarke said. "And along the way, we have helped to deliver more than 27 billion kina back to the State of Papua New Guinea and its people."
