Who is Econet Telecom Lesotho?

Econet Telecom Lesotho provides customised enterprise solutions to businesses in Lesotho, including networking and cloud services.

Why should you choose Econet Telecom Lesotho?

The uncompromising standards of Econet Telecom Lesotho continue to help to pioneer and develop sustainable telecommunications. Econet Telecom Lesotho's success is embedded in its birthplace; both the history and the path the Company has walked has been one that is side by side with the people of Lesotho, making it as indigenous as it comes.

Why should young people join Econet Telecom Lesotho?

These schemes are beneficial to the young people involved in Lesotho providing them with both education and well respected work experience opportunities, while also enabling the Company to have its pick of the best and brightest to bring up through the Econet Telecom Lesotho hierarchy.

How did Telecom Lesotho become a telecommunications company?

The Company came into fruition as Telecom Lesotho, working as a Government department arm linked to the post office telecommunications services. After making the decision to split operations between the post office and the telecommunications services, it eventually became a dedicated fix line operator.

Does Lesotho have a new streaming service?

"We've just launched a new content delivery service called Kwese, which will cover streaming satellite TV services and free-to-air throughout Africa with exclusive rights throughout the Kingdom of Lesotho," concludes De Fleuriot.

Who owns Eskom Enterprises (Pty) Limited & Econet Wireless Global?

Econet Wireless Global is the majority shareholder of Eskom Enterprises (Pty) Limited after purchasing its 70% shareholding. The merger of the two companies facilitated the provision of both fixed and mobile services to fall under one operating licence, regulated by the Lesotho Communications Authority.

Econet Telecom Lesotho provides customised enterprise solutions to businesses in Lesotho, including networking and cloud services. "We have a strong innovation culture, and we believe that allowing our workers to be creative and think imaginatively is critical to driving corporate growth," says Dennis Plaatjies, Chief Executive Officer ...
