

Masdar solar San Marino

The new company, PT. Pembangkitan Jawa Bali Masdar Solar Energi (PMSE), was formally announced at a ceremony at the Cirata reservoir in West Java, where the project will be located. The event was held as part of UAE-Indonesia Week, taking place throughout this week to mark the close ties between the two nations.

Emerge, a joint venture between Masdar and EDF Group, was formed in 2021 to develop distributed solar, energy storage, and hybrid solutions for commercial and industrial applications. As an energy services company, Emerge offers clients full turnkey solutions through solar power agreements at no up-front cost to the client.

Masdar was one of the first companies in the region to utilize bifacial PV, which can produce electrical energy when illuminated on both its surfaces, front or rear, at the MBR Solar Park. It also uses 50 custom-made robots that clean the ...

UAE-based energy company Masdar and PLN Nusantara Power (PLN NP) have reached an agreement to expand phase II of the Cirata floating photovoltaic (FPV) power plant in Indonesia by 500MW.. This builds on the initial 145MW phase of the project, situated in the Cirata reservoir in West Java, which is scheduled to begin operations later in 2023.
