Why should you choose Nadara?

From planning to production and consumption, Nadara has a strong track record of providing services at all stages of the value chain. Our expertise helps commerce and industry clients procure and utilise green energy in an efficient and flexible way.

What happened to Nadara?

Today, we are proud to announce that this summer, the two companies will become Nadara. A reflective name for our combined business. In January 2024 we legally became one business, with a team of over 1,000 talented employees, an installed capacity of 4.2 GW, and an 18 GW pipeline.

How did Nadara get its name?

The name Nadara was inspired by Climate and Environmental Impact Manager, Ed Flanders. "Perfectly embodying our commitment to renewable energy" The inspiration for the name came from the meaning of the word and its relevance to the organisation, as Ed explains: "Nadara comes from the Scottish Gaelic word 'Nadara', which means 'natural' in English."

Nadara è uno dei maggiori produttori indipendenti di energia rinnovabile in Europa.
