Who is smartpropel?

SmartPropel is a high tech enterprise, specializing in R&D and Production of Lithium Battery for 15 years. SmartPropel has 3 production bases in Hubei (DyNAVOLT), Shenzhen, Dongguan, complete covers the whole lithium battery industry line, including cylindrical cells production, prismatic cells production, and battery pack production.

Does smartpropel offer a 1 year warranty?

All our lithium battery product have 1 year warranty. The company has most complete industrial chain, from battery cells to the E-bike battery, moped scooter battery, ATV&AGV battery, 4-wheeler vehicle battery, energy storage battery. Customers in SmartPropel can achieve one-stop shopping smoothly for fast delivery.

Why should you choose smartpropel?

A comprehensive technical and professional team. Built an advanced full-featured comprehensive laboratory. We have 5 patents for invention and 12 patents for utility model. Advanced technology makes SmartPropel has stronger competitiveness in the international market. Leading team has nearly 15 years of lithium battery field rich work experience.

Does smartpropel provide power/energy batteries?

According to your application field, diverse standard Power/Energy batteries will be provided to you for easy purchase directly. Furthermore, if you can't find any ready models that fit your application, no worry, SmartPropel also can supply a FREE customize service.

SmartPropel is a high-tech enterprise specializing in lithium rechargeable battery R&D and marketing for over 15 years. It has 3 production bases in Hubei, Shenzhen, and Dongguan, covering the entire lithium battery industry ...

As one of the fast growing companies of the experienced battery cell and battery pack supplier, SmartPropel is professional, energetic and creative. We believe we can bring the world a better life quality by promoting lithium battery ...

Christy and Megan are both military wives, with three kids and two dogs each. After working together in public education, they quickly realized that they also have similar educational philosophies and goals. In 2018, Propel Fairfax and Propel Loudoun were launched. Since then, the company has expanded to offer bicoastal in-person services and virtual services worldwide.

SmartPropel manufactures a wide range of lithium-ion batteries, including 12V deep cycle batteries, energy storage batteries, and specialized batteries for electric vehicles like e-bikes ...
