

Norway littech energy gmbh

Who is LithTech?

Founded in 2018, Lithtech specializes in industrial and commercial energy storage, ship energy, household energy storage, and special power, offering innovative and reliable new energy solutions worldwide. Our focus on safety, BMS customization, EMS management, and efficient integration addresses industry needs effectively.

What are LithTech home batteries?

Lithtech's home batteries store excess solar or grid power, offering backup during outages and helping you manage energy costs efficiently. Designed for specific needs, Lithtech's specialized batteries offer high-performance energy solutions for unique applications, from military to remote sites.

What are LithTech marine batteries?

Lithtech's batteries provide reliable power for large-scale operations, optimizing energy use and reducing costs during peak demands and outages. Built for resilience, Lithtech's marine batteries deliver steady, durable power for watercraft, ensuring safe and efficient performance on the water.

Are LithTech batteries good for watercraft?

Built for resilience, Lithtech's marine batteries deliver steady, durable power for watercraft, ensuring safe and efficient performance on the water. Lithtech's home batteries store excess solar or grid power, offering backup during outages and helping you manage energy costs efficiently.

What is LithTech lead-acid replacement?

Lithtech's Lead-Acid Replacement Series offers high efficiency, long life, and eco-friendly LiFePO₄ power--outperforming traditional lead-acid batteries. Lithtech's base station batteries ensure stable power for telecom infrastructure, supporting seamless, reliable connectivity even under demanding conditions.
