Article originally published in Project Finance International. Sunraycer, the Nashville-based renewables affiliate of Crayhill Capital Management, provides pre-notice to proceed (NTP) finance and acquisition capital to developers involved in all types of renewable energy endeavours. It is a development platform created to accelerate North America's energy ...

The renewables arm of South Korea's Samsung C& T Corp (KRX:028260) on Thursday unveiled a deal to offload a 3-GW portfolio of solar and energy storage projects under development in Texas to US-based Sunraycer Renewables.

The newly signed deal with Sunraycer holds much significance for Samsung C& T as the agreement cements a stronger foundation for the company's solar power in the leading U.S. market. The two companies plan to proceed with the project development with an aim of having the projects up and running between 2025 and 2026 and to expand the bilateral ...
