The company says it has now secured more than \$50 million and plans a major expansion. PEG Africa has received a \$5 million investment from ElectriFi, an EU initiative ...

Comoros is a member of the Franc Zone, which it joined in 1976. The national currency, the Comoran franc

(KMF), is pegged to the French franc and is fully convertible. This arrangement has provided considerable advantages in terms of exchange rate stability and low inflation, but the Franc Zone has also placed restrictions on public sector budget deficits.
