Who is Poyry PLC?

Poyry PLC (Finnish: Poyry Oyj), which merged in 2019 with Swedish company AFRY, was an international consulting and engineering firm that served clients globally across the energy and industrial sectors and provided local engineering services in its core markets.

Who is Poyry?

Poyry is an international consulting and engineering company. We serve clients globally across the energy and industrial sectors, delivering management consulting and engineering services across power generation, transmission & distribution, forest industry, chemicals & biorefining, mining & metals, transportation and water.

What does Poyry do?

Poyry provides engineering and consultancy services for the nuclear energy sector over the entire lifecycle of Nuclear Power Plants and supporting facilities/services.

What sectors does Poyry work in?

Our focus sectors are power generation, transmission & distribution, forest industry, chemicals & biorefining, mining & metals, transportation, water and real estate sectors. Poyry has an extensive local office network employing about 7,000 experts.

What makes Poyry unique?

Our core strength is the ability to combine expert knowledge of the markets with first class quantitative analysis to offer the highest quality commercial, economic, strategic, and policy advice. Poyry is an international consulting and engineering company.

How many business groups does Poyry have?

Poyry operated with four business groups: Energy, Industry, Regional Operations, and Management Consulting. The Poyry Group had offices in over 45 countries and operated in over 100 countries employing about 6,000 experts. Poyry's net sales in 2015 were EUR 575 million. The company's shares were quoted on Nasdaq Helsinki (Poyry PLC: POY1V).

Abbiamo una storia ricca di tradizioni. AFRY è stata fondata nel 1895 e Poyry nel 1959. Dalla nostra fusione, siamo diventati la più grande azienda del nostro settore in Scandinavia e un'azienda globale con circa 17.000 dipendenti, con sedi in oltre 50 paesi e progetti in tutto il mondo.
