

PRIME Batteries Technology, Eldrive Romania and ALLSPARK Energy presented today a solution for storing energy and charging electric cars. The "energy cube" can power electric cars with energy from the grid or from photovoltaic panels, being ideal for areas where the grid needs improvement.

PRIME este unul dintre liderii producatorilor europeni de sisteme de stocare a energiei, care ofera solutii pentru obiectivele conectate la sistemul national de distributie al energiei electrice (on-grid), si celor care nu sunt conectate (off-grid). Productia noastra de sisteme de stocare energie are un impact foarte mic asupra mediului inconjurator, din punct de vedere al ...
