Qatar Labour Law About Overtime. Any time a worker works in addition to their normal working hours is considered overtime. Article 74 of the Qatar Labour Law speaks about working overtime and the extra payment to be made in such cases. If required, a worker can be employed for additional hours in addition to the maximum hours allowed.

Labour law and ministerial decrees in this regard oblige employers to take all necessary precautions for safety at the work place. Most important of these include the following:

Q: What is the minimum daily wage in Qatar? In Qatar, the minimum wage for employees is generally 2 QAR per hour, which equates to approximately 1,000 QAR per month based on a standard 48-hour work week.. Q: What is the typical gross salary range for people working in Qatar, and how does it vary among different job categories?
