

Saint Martin ensmart power

Who is ensmart power?

Ensmart Power is a leading specialist in the design and manufacturing of uninterruptible power supplies, power protection and energy systems. Keep up with Ensmart Power News and Updates. We are engineering innovative power solutions that helps energy to get smarter and cleaner for a sustainable world.

How much does electricity cost in Saint-Martin?

The island is divided between two nations,France in the north (Saint-Martin) and the Netherlands in the south (Sint Maarten). By law,Saint-Martin's residents pay the same electricity rates as all other French citizens,with utility rates starting at \$0.12 per kilowatt-hour(kWh) for residential customers.

What is Sint Maarten's national energy policy?

renewable energy.¹⁰ The plan also emphasizes the need to raise awareness of energy conservation among individuals and businesses through communication campaigns. Sint Maarten developed a National Energy Policy (NEP) in 2014 that aims to mitigate the impact of energy use on the environment while reducing electricity tariffs.
