At Serco we have set ourselves to do our part to address the environmental and climate emergencies we all face and help to build a better world for future generations. So we have committed ourselves to follow or develop practices that reduce the environmental impacts of the services we deliver, the products and services we buy and the ways in which we operate.

The Energy Guard® dock leveler weatherseal is the most effective way to protect your loading dock from multiple maladies -- energy loss, dirt, debris and pests among them. Our superior perimeter dock leveler seal closes off gaps between the dock leveler and concrete pit walls that are typically missed by traditional sealing options -- so no air seeps in or out.

The Serco Inspire network was the first network established in 2015 and is sponsored by Anthony Kirby (Serco COO) . The overarching ambition of our network is to work hand-in-hand with male colleagues to ensure that Serco's female talent feel valued, confident and able to progress their careers within the company without limitation.
