

# Solar home system pdf Antigua and Barbuda

**WARRANTY:** We only use high grade solar components and installation fittings, product warranties are factory extended and vary from 6 to 25 years. New Energy is SEI-certified and provides alternative energy solutions to Antigua & Barbuda and the Caribbean. New Energy has been in business for more than 5 years, with Caribbean experience over 30 years. We are a ...

Antigua and Barbuda is a sovereign island country located between the Caribbean Sea and the Atlantic Ocean in the West Indies of the Americas. It consists of two major islands, Antigua and Barbuda, which are around 40 kilometres apart, as well as numerous smaller islands. Antigua and Barbuda, like other island nations, is

Customers who have systems in excess of 5KW will be governed under the "Buy all, sell all" net billing system. The Customer pays the Utility, at the published tariff rate, for all of the power consumed. The energy produced by the renewable energy system is then credited to the customer at the avoided fuel cost.
