

Solar panel container Costa Rica

If the commercials and hype are to be believed, Costa Rica has an eco-friendly reputation to maintain. This, hypothetically, should stem from all aspects of society, and at least one hotel is especially taking the green message to heart with the development of El Faro Beach Hotel in Manuel Antonio -- Costa Rica's first and only hotel made up of reused shipping ...

Citizens have criticized ARESEP's stance, believing its methodologies discourage those who want to install solar panels. Solar energy is an ideal alternative for Costa Rica, a country blessed with year-round sunshine and a reputation for green energy. However, authorities must act swiftly to balance the needs of the people with the urgent ...

Invest your savings in a solar panel system and get a 17% return on your investment. Given Costa Rica's current \$0.50 cent/kWh, a \$15,000 investment in a 5Kw system will yield a tax-free savings of \$275/mo. or \$3,300 in savings per year, every year. If rates continue to rise, the savings grows higher.
