Who is solaroo?

We are one of the leading solar energy solution providers in Malaysia. SOLAROO is a one-stop clean energy solution provider and is wholly owned subsidiary of Pekat Group Berhad with over 24 years of engineering experience. WHY SWITCH TO SOLAR ENERGY? Access your data and monitor your solar pv system in real time.

Why is solaroo partnering with Pekat?

The collaboration taps into Solaroo's expertise in providing highly efficient and safer small-scale solar PV systems through its innovative system design, combined with in-house technology in collaboration with parent company Pekat. "All of Solaroo's solar PV systems will be protected by the SolarPro insurance provided by Allianz General.

What is SolarPro & solaroo?

Our insurance solution, SolarPro, has always been all about providing meaningful support to solar PV users and through our partnership with Solaroo, we hope to further encourage the adoption of solar PV in Malaysia," added Wang.

What insurance does solaroo offer?

"All of Solaroo's solar PV systems will be protected by the SolarPro insurance provided by Allianz General. The combination provides assurance for customers on the reliability of the solar PV system while incurring electricity bills saving through the adoption of renewable energy," adds Director of Solaroo, Johann Sze.

Why should Malaysia partner with solaroo?

"This partnership with Solaroo is forged on our mutual goal of strengthening our commitment towards driving the green agenda amongst Malaysians, with an opportunity to play a role in shaping a future that is safe, inclusive and sustainable and at the same time securing the future development of solar energy in the country.

How many houses will solaroo equip a year?

"We are looking to equip an average of 6,000 houses a year over the next five years for the secondary market, excluding working hand in hand with developers [for new residential projects]. We expect the numbers to balloon up very quickly," says Solaroo director Johann Sze.
