Sun Smart Solar, Cape Town, South Africa. 1,000 likes. With over 200 installations completed in 2023 alone Sun Smart Solar has established itself as a leading Solar Energy provider.

Sun Smart UK"s team is led by Steve, a dedicated solar evangelist and serial investor in solar photovoltaic technologies. With an impressive portfolio of over 1000 designed projects and 200+ project managed solar installations, we"re confident in our ability to deliver the highest quality solar solutions for your home or business.

The SunSmart solar power system was initially conceived as a response to the growing demand for and use of electric vehicles (EVs). Traditional internal combustion engine (ICE) vehicles are a leading cause of pollution and global climate change. Experts estimate that unless we replace at least 25% of ICEs with EVs, our global tipping point is ...
