With more than 20 years in the industry, Sunny Renewable Energy can help you keep your lights on or your favourite Netflix show playing when that dreaded Eskom notification pops up.

4 reference brands that trust us, which we distribute on our four islands, Martinique, Guadeloupe, Saint Martin and Saint Barthelemy (Grad#174; only in Martinique and Guadeloupe). Strong partnerships, based on mutual respect and shared trust, allow us to offer you reliable, high-quality, high-tech and very comfortable outdoor product lines.

Air conditioning is one of the largest electricity consumption points in Saint-Martin. Limit its use. Otherwise, set the air conditioning to a moderate temperature, taking care to close doors and windows. Setting your air conditioner to one degree higher allows you to save 10% of energy. When leaving an air-conditioned room, turn off the equipment.
