

Suriname sun king solar panel

Why should you choose Sun King solar?

From cost-effective solar lanterns and home systems that provide entry-level access to electricity to powerful, multi-kilowatt-scale solar systems that offer power equity with the traditional electrical grid, Sun King's products meet diverse power and light needs across Africa and Asia. Solar to meet every need. Find the best option for you.

Who is Sun King?

Sun King is the largest off-grid solar provider in the world. The company designs, distributes, finances and installs rooftop solar systems, helping the more than 1.8 billion off-grid and under-electrified consumers in Africa and Asia to gain access to clean energy.

What does Sun King do?

The company designs, distributes, finances and installs rooftop solar systems, helping the more than 1.8 billion off-grid and under-electrified consumers in Africa and Asia to gain access to clean energy. Since inception, Sun King has provided 106 million people with improved energy access.

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

What does a Sun King agent do?

Along with customer acquisition, agents also install equipment, monitor repayments and assist with maintenance. In its initial market of Kenya, 20% of households are powered by one of Sun King's home energy solutions, compared to the 4% of households in the USA with rooftop solar panels.

Will Sun King expand its PAYG model?

Sun King also has an opportunity to expand its PAYG model into other essential services, including clean cooking and insurance. LeapFrog invested in Sun King's extended Series D round in 2022, alongside General Atlantic and M&G, to expand the company's footprint and impact across Africa and Asia.

WHAT IS THE PROCESS FOR GOING SOLAR? A Sun King Solar sales representative will visit your home to outline the benefits and savings you can expect by going solar. Our representative will help you determine if going solar is right for your home. 1) An engineering team will design a customized solar panel system for your home.
