The MONO PERC 390W-410W 108HALF-CELLS (182mm) solar panel by Horay Solar is a high-quality and reliable energy solution for residential, commercial, and industrial applications. With a power output range of 390W to 410W, this panel is capable of delivering efficient energy conversion and maximum power generation, even in low-light conditions.

The HS182 182-M-72-MH solar panel by Horay Solar is a cutting-edge module designed to deliver efficient and reliable solar power generation. With its advanced technology and superior performance, this solar panel provides a cost-effective solution for both residential and commercial applications. The HS182 boasts a power rating of 182W, ensuring optimal energy ...

The HoRay Solar HS166 166-M-60-MH solar module is a high-performance panel that provides exceptional power output of 390-410W. With a high efficiency rating of up to 21.16%, this panel delivers an impressive performance while taking up minimal space. The panel is made up of 60 monocrystalline half-cut cells, which are known for their high efficiency [...]

HS182 182-M-60-MH by Horay Solar is a high-performance solar panel ideal for residential and commercial rooftop installations. It comes with 60 monocrystalline solar cells, providing a power output ranging from 335 to 355 watts. With a module efficiency of up to 20.1%, it utilizes advanced half-cell technology that reduces cell resistance and improves overall performance.
