Worked In the NexMile division. I loved working on the Scorpion system before NexTier bought. After buyout it went downhill. Poor work culture, lack of innovation, and NexTier management is garbage. I left due to the culture and hostility. Equipment is horrible and leaks sand a ton. I was embarrassed when I would do field visits.

NexTier will remain conservative with our balance sheet and support cost structure to be nimble, while remaining disciplined on horsepower deployments. NexTier is committed to capital discipline and returning a sizeable portion of free cash to shareholders. NexTier's capital allocation strategy is guided by the following principles:

Nextier Infrastructure Solutions is a Georgia-based company providing engineering, installation and project management solutions for customers in the telecom, broadband, IT and cellular industries. Nextier crews dig the trenches, bore the tunnels and thread the fiber that allows businesses, schools, government agencies and others to stay ...
