Because they aren't a part of the United States, they are just minor territories, some want to join the US as another state like Puerto Rico and others are autonomous like Guam and the Virgin Islands. 60% of US territory is a military base to keep out Terrorists, Commies or Russians. As for the second US Flag, idk what is up with that

An inverter or power inverter, refers to an electronic device that converts direct current (DC) into alternating current (AC). In our daily life, we often convert 110V or 220V AC power into DC power for use, while the inverter plays the opposite role. In other words, the inverter is used to convert the 12V, 24V or 48V
