What is a community unit in the Cook Islands?

Community unit: districts. The approach taken in the Cook Islands is Marine protected areas (MPA), or ra'ui, which include site specific and atoll wide community management rules. The ra'ui system is the traditional method of natural resource conservation in the Cook Islands, imposing restrictions on the use of land, reef and lagoon resources.

Why do Cook Islanders vote in elections?

Voting in elections is the most direct way that most Cook Islanders can be involved in the political system of our country. Voter turnout will be used as an indicator of public engagement, and confidence in the political system. This indicator looks at the amount of research and scholarship that is being done in-country on the Cook Islands.

What is the Cook Islands quality of Life Index?

The Cook Islands Quality of Life Index includes measures of: 1) job satisfaction; 2) disposable income; 3) youth wellbeing; 4) leisure time; and 4) cultural engagement. Voting in elections is the most direct way that most Cook Islanders can be involved in the political system of our country.

Where are the Cook Islands located?

The Cook Islands is an ocean state which consists of 15 small islands scattered over approximately two million square kilometres of the Pacific Ocean. They lie in the centre of the Polynesian Triangle, flanked by Fiji 2,300 km to the west, Tahiti 1,140 km to the east, Hawaii 4,730 km north and New Zealand 3,010 km southwest.

Why do Cook Islanders sell property to foreign interests?

Economic pressures have forced many Cook Islanders to sell land, businesses and properties to foreign interests. It is important to consider these issues of economic self-determination and migration in our central planning, so as to inform policy interventions for the future.

Is Cook Island still a nation?

After fifty years of self-governance, we are still defining ourselves as a nation. Continued outward migration calls into question the very viability of many of our island communities. Economic pressures have forced many Cook Islanders to sell land, businesses and properties to foreign interests.
